

Touch Screen Digital Signage Made Easy

Professional-grade Touch Screens
Managed with Cloud-based Software
Powered by Your Content

A revolutionary interactive digital signage platform that's easy to use and affordable

Tell The Whole Story

Built for retail and the love of shopping, Elo interactive signage engages shoppers in-store and connects with on-line campaigns to deliver memorable and rewarding shopping experiences.

 <p>Deliver the "endless aisle".</p>	 <p>Bring your brand to life.</p>	 <p>Create upsell opportunities.</p>
 <p>Drive a consistent message.</p>	 <p>Help and guide shoppers.</p>	 <p>Reward loyal customers.</p>

Elo Interactive™ Architecture

Engage customers through connected brand experiences in any location leveraging the brilliant digital content you've already built.

Hardware & Software

Developed to withstand the rigors of retail and showcase your digital content—brilliantly.

Control From The Cloud

Secure portal gives you powerful, flexible options to monitor and adjust devices.

Leverage Existing Content

Optimize the shopper's journey and extend your digital content to the product shelf.

Monitor Usage, Measure ROI

Track user behavior and purchasing trends and use existing tools to analyze the data.

Make It Easy For Your IT

Leverage these features for easy deployment and rock-solid performance.

Easy to set up, Elo integrates Wi-Fi, Bluetooth, Ethernet connections, Micro HDMI outputs, Micro SD and SIM card slots as well as USB. A front-facing HD webcam, integrated earphone out with microphone input and stereo speakers also integrated. Optional accessories for barcode reader, MSR, NFC, tabletop stand, and floor stand.

elo VIEW™

Deploying and managing content will make or break your interactive brand experience.

Now, you can do it easily and securely with EloView.

EloView software provides device setup, remote management, content scheduling, and the ability to securely upgrade the operating system, applications, and content.
