Elo PayPoint® Pro - All-in-One Point-of-Sale Platform

All-in-one, the Elo PayPoint Pro is your register, cash drawer, credit card reader, barcode scanner, receipt printer, and customer facing display, for your favorite point-of-sale (POS) software application. PayPoint Pro integrates with all your back-office applications, leveraging the management and security of Microsoft Windows.

Designed for ease of serviceability, PayPoint Pro provides easy access to memory and storage compartments. Performance for point of sale applications is powered by an Intel Celeron quad-core processor. The flip-for-signature touch screen encourages shopper engagement and electronic receipt delivery. Retail peripheral expansion is supported by additional USB, serial port, and cash drawer port connections.
