Installing the Webcam

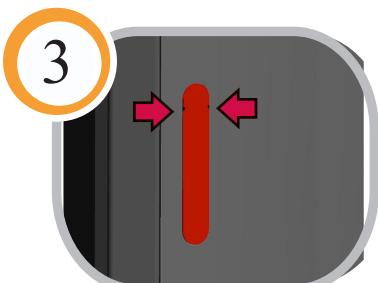

Please go to www.elotouch.com/support to verify you have the latest drivers before installing this device.

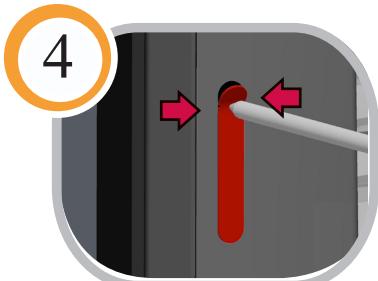

- ▶▶▶ Turn off the touchcomputer.

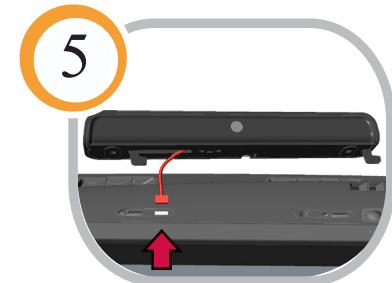

- ▶▶▶ Remove the two accessory covers on the top of the monitor.

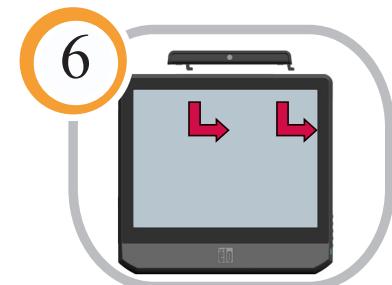

- ▶▶▶ To remove each cover, locate the two small notches on the cover.

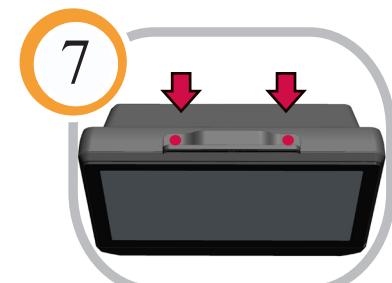

- ▶▶▶ Press a small screwdriver into the cover between the two notches.
▶▶▶ As the cover bends up, grasp the end and peel it away.

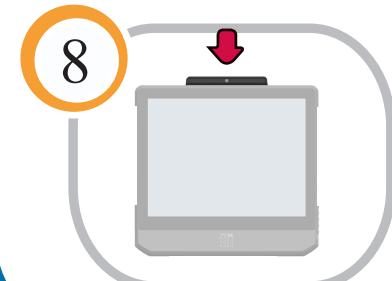

- ▶▶▶ Plug the cable into the connector on the touchcomputer.

- ▶▶▶ Insert the hooks on the device into the corresponding slots on the touch computer.

- ▶▶▶ Secure the device to the touchcomputer using the included screws. Cover the two screws with the circular covers included in the kit.

- ▶▶▶ Attach the webcam and power on the touchcomputer. Install the drivers for the webcam.
