**Declaration of Compliance for conversion of Elo's CarrollTouch Infra-red (IR)  
Products From non-RoHS to RoHS Compliant**

**Explanation of Product Changes**

Elo TouchSystems Inc, (Elo) hereby guarantees that the CarrollTouch Infra-Red (IR) RoHS compliant products, ending in -001 suffix as described at Elo's RoHS webpage ([http://www.elotouch.com/products/rohs/rohs\\_ct.asp](http://www.elotouch.com/products/rohs/rohs_ct.asp)), do not exceed the limits for restricted hazardous substances as defined per the EU directive 2002/95/EC. Elo also hereby declares that Elo and the manufacturers for the RoHS parts listed have made the following changes:

- RoHS compliant as of January 2006.
- New part numbers issued to distinguish non-RoHS parts from RoHS parts.
- Green RoHS stickers attached to shipping cartons.
- Circuit board assemblies, all associated components, and solder were changed.

Elo also confirms that said products meet or exceed all published specifications (<http://www.elotouch.com/products/cttec/ctspec.asp>).

Elo's obligations shall be only as set forth in the Tyco Electronics standard terms and conditions of sale for this product, and in no case is Tyco Electronics or Elo TouchSystems liable for an incidental, indirect or consequential damages arising out of the sale, resale, use, or misuse of the product. Users of Tyco Electronics' products should make their own evaluation to determine the suitability of each such product for the specific application and to establish safe handling and installation procedures.

Because Tyco Electronics and it's affiliated companies, such as Elo TouchSystems, are required to maintain an inventory of non-compliant products targeted for specific applications that are exempt from RoHS (e.g. medical), dual versions (compliant and non-compliant) of products are required. For Elo TouchSystems, this applies strictly to custom touch monitor products. Therefore, Tyco Electronics and Elo TouchSystems cannot make a general statement that it will provide only RoHS compliant products in the
