**Declaration of Compliance for conversion of specific Elo Products From non-RoHS to RoHS Compliant**

Explanation of Product Changes

NON-RoHS	RoHS COMPLIANT
Non-RoHS part number and description	RoHS compliant part number and description
P/N 115275-000 CTR-313931-AT-CHP-00	P/N E996425 CTR-COACH1-AT-CHP-00R
P/N 178476-000 CTR-COACH2-AT-CHP-01	P/N E705204 CTR-COACH2-AT-CHP-00R
P/N C75983-000 CTR-2216SU-AT-CHP-00	P/N E505794 CTR-COACH3-AT-CHP-00R

Elo TouchSystems Inc, (Elo) hereby guarantees that the RoHS compliant products listed above do not exceed the limits for restricted hazardous substances as defined per the EU directive 2002/95/EC. Elo also hereby declares that Elo and the manufacturers for the RoHS parts listed above have made the following changes:

- RoHS compliant as of December 2005.
- New part numbers issued to distinguish non-RoHS parts from RoHS parts.
- Lead plating finish changed from tin/lead to tin only.

Elo also confirms that said products meet or exceed all published specifications (<http://www.elotouch.com/products/accutec/accucont.asp>).

Elo's obligations shall be only as set forth in the Tyco Electronics standard terms and conditions of sale for this product, and in no case is Tyco Electronics or Elo TouchSystems liable for an incidental, indirect or consequential damages arising out of the sale, resale, use, or misuse of the product. Users of Tyco Electronics' products should make their own evaluation to determine the suitability of each such product for the specific application and to establish safe handling and installation procedures.

*This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided by our suppliers. This information is subject to change. This information does not in any way modify existing purchase specifications or existing contractual or other agreement terms between Tyco Electronics Corporation (or its affiliated companies) and its customers.*

## **Declaration of Compliance for conversion of specific Elo Products From non-RoHS to RoHS Compliant**

Because Tyco Electronics and its affiliated companies, such as Elo TouchSystems, are required to maintain an inventory of non-compliant products targeted for specific applications that are exempt from RoHS (e.g. medical), dual versions (compliant and non-compliant) of products are required. For Elo TouchSystems, this applies strictly to custom touch monitor products. Therefore, Tyco Electronics and Elo TouchSystems cannot make a general statement that it will provide only RoHS compliant products in the future. Rather, Tyco Electronics and Elo TouchSystems can guarantee that RoHS compliant products will be supplied, provided you order products identified as RoHS compliant, by contacting Elo directly, from Elo's website ([www.elotouch.com](http://www.elotouch.com)), or from the Tyco Electronics catalog.

Regards,

Kevin Seitz  
Global RoHS/WEEE Project Manager  
Elo TouchSystems, Division of Tyco Electronics
