Elo TouchSystems Inc, (Elo) hereby guarantees that the RoHS compliant products listed above do not exceed the limits for restricted hazardous substances as defined per the EU directive 2002/95/EC. Elo also hereby declares that Elo and the manufacturers for the RoHS parts listed above have made the following changes:

- RoHS compliant as of January 2006.
- New part numbers issued to distinguish non-RoHS parts from RoHS parts.
- Green RoHS stickers attached to shipping cartons.
- Circuit board assembly changed to tin plating only.
- All associated components RoHS compliant.
- Solder changed to RoHS compliant.

Elo also confirms that said products meet or exceed all internal and manufacturers test requirements; furthermore, the same said products also meet or exceed all published specifications posted on its website.

1. For AccuTouch controllers, go to <http://www.elotouch.com/products/accutec/accucont.asp>.
2. For IntelliTouch controllers, go to <http://www.elotouch.com/products/inteltec/intelcont.asp>.
3. For CarrollTouch controllers, go to <http://www.elotouch.com/products/cttec/ctcont.asp>.
4. For Surface Capacitive controllers, go to [http://www.elotouch.com/products/surface\\_capacitive/sccont.asp](http://www.elotouch.com/products/surface_capacitive/sccont.asp).

Elo's obligations shall be only as set forth in the Tyco Electronics standard terms and conditions of sale for this product, and in no case is Tyco Electronics or Elo TouchSystems liable for an incidental, indirect or consequential damages arising out of the sale, resale, use, or misuse of the product. Users of Tyco Electronics' products should make their own evaluation to determine the suitability of each such product for the specific application and to establish safe handling and installation procedures.

Because Tyco Electronics and it's affiliated companies, such as Elo TouchSystems, are required to maintain an inventory of non-compliant products targeted for specific

*This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided by our suppliers. applications that are exempt from RoHS (e.g. medical), dual versions (compliant and non-compliant) of products are required. For Elo TouchSystems, this applies strictly to custom touch monitor products. Therefore, Tyco Electronics and Elo TouchSystems cannot make a general statement that it will provide only RoHS compliant products in the future. Rather, Tyco Electronics and Elo TouchSystems can guarantee that RoHS compliant products will be supplied, provided you order products identified as RoHS compliant, by contacting Elo directly, from Elo's website ([www.elotouch.com](http://www.elotouch.com)), or from the Tyco Electronics catalog.

Regards,

Kevin Seitz  
Global RoHS/WEEE Project Manager  
Elo TouchSystems, Division of Tyco Electronics
